

Get the Workshop Materials

 github.com/snow0369/qiskit_handson_260827

Option A — Local

Click **Code** → **Download ZIP**

or

```
git clone <repo URL>
```

Option B — Colab

Open a notebook on GitHub,
then click the "**Open in
Colab**" badge at the top
(no install needed)

We'll get started shortly — feel free to connect to Wi-Fi and pull up the repo now.
